Date: 8/22/17

Work Group: Mental Health

Work Group Co-Chairs: Samantha Goodson & George Brenner

Last Work Group Meeting Date: 8/22/17

Next Work Group Meeting Date: 9/12/17

1. What activities has the work group completed since the last state team meeting?

Development of pre-trial screening document for approval by state team; development of pre-trial screening model to pilot with small number of EBDM pilot counties

2. What does the work group plan to accomplish between today and the next state team meeting?

Finalize a document to present to state team at October meeting, at latest

3. What does the work group plan to accomplish in the next six months?

Develop recommendations for potential intervention re: mental health and substance use needs at each point of contact, including recommendations for screening tools validated for use with criminal justice populations. Review overall workplan.

4. What do you need from the state team? (e.g. decisions, resources, information)

Nothing at this time. Will bring our product for state team consideration by October meeting.

5. What assistance can the other work groups provide to assist in accomplishing your goals?

We are still determining this.

6. Additional information:

We are aware that there was a previous document presented to the state team regarding pre-trial screening. The workgroup agreed that the original document may not have achieved what was intended and we are revisiting this in an attempt to create a pathway for piloting an actual model.
